

Collaborative Network for Vaccine Research in West and East Africa

CALL FOR PROPOSALS

Collaborative Network for Vaccine Research in West and East Africa

Issued by the National Research Fund of Kenya (NRF-Kenya) in partnership with the Uganda National Council for Science and Technology (UNCST) and Tanzanian counterparts.

This document summarises the call objectives, eligibility, and submission requirements for testing the GrantIQ document viewer.

Applicants should form multidisciplinary consortia, describe work packages, budgets, and data-sharing plans, and demonstrate how the network will build sustainable vaccine research capacity in the region.
