

Pharmacy and Poisons Board

VACANCY ANNOUNCEMENT

The Pharmacy and Poisons Board (PPB) is Kenya's National Medicines Regulatory Authority established under the Pharmacy and Poisons Act, Chapter 244 of the Laws of Kenya. The Board regulates the Practice of Pharmacy and the Manufacture and Trade in Medical Products and Health Technologies.

The PPB is receiving financial assistance from the World Bank under the Health Emergency Preparedness, Response and Resilience Project for Eastern and Southern Africa under Phase I of the Multiphase Programmatic Approach. The main objective of the project is to strengthen PPB's regulatory capacity towards achieving maturity level three (ML.3) rating based on the World Health Organization (WHO) Global Benchmarking Tool (GBT).

Through this support, PPB is seeking to recruit qualified candidates to fill the following positions:
